SIR,

I have the honour to state that the Government in their order No.12311-14/Edn. 14-17-80 dated 22nd June 1918 sanctioned an estimate amounting to Rs.2900 for the construction of a reading Room at Devanhalli out of the amount sanctioned. Rs.1500 represents the contribution offered by Mr. Yele Krishnappa, Merchant, Devanhalli who in addition to his contribution gave a valuable site free of cost for the purpose. Mr. Yele Krishnappa deposited the sum of Rs.1500/- in the Savings Bank and subsequently conmerted them into State Loan Bonds. The execution of the work was entrusted to Mr. Krishnappa himself, who has completed the work and the building is ready for occupation. Mr. Krishnappa now thinks that there is an urgent need for an in-patient ward for the Local Fund Dispensary at Devanhalli and is desirous of making over the building to the Government Medical Department and therefore requests that the Government Order sanctioning the work as a Reading Room may be cancelled and that he may be allowed to make a gift of the building for the purpose. I see no objection to this as no part of the Government grant has been utilised in its construction and it will not also be necessary to disburse the Government grant, as Mr. Krishnappa intends it to be a gift from him.

I have seen the building and it is well suited for the purpose, as it is close to the Local Fund Dispensary and situated in a healthy locality outside the town. I see no objection to granting Mr. Krishnappa's request and I beg that the Government may be pleased to accord their sanction to the proposal.

Dear Sir,

At the request of the Deputy Commissioner, Bangalore District, I beg to submit the following information to Government regarding the building offered by one Mr. Yele Krishnappa for the use of the Dispensary at Devanhalli.

I inspected the building in January last and informed the owner that, with slight alterations which he promised to do, the dispensary could be shifted thereto, and the present dispensary building could be used as an in-patients' ward for which it was more suitable. I enclose a copy of my letter written to the Inspector General of Education on the subject.

I also enclose a copy of letter No.47, dated 14-7-1925 written to the Deputy Commissioner by the District Medical Officer of the Bangalore District, which speaks for itself. The situation is rather a peculiar one. Mr. Krishnappa is reported to expect a refund of a sum of Rs.1,700 paid by Government as a deposit for converting the building into a Reading Room, before executing the necessary repairs and alterations to make the building suitable for a dispensary. Mr.Krishnappa's written statement agreeing to hand over the building for dispensary purposes has been sent to the Deputy Commissioner by the District Medical Officer. Except this statement, there is no other document securing the gift of the building to Government.

Yours sincerely,

Senior Surgeon.

B. Nagappa Esq., Bar-at-Law,
Secretary to Government,

With reference to your letter No. 1101, dated 30th December 1924, requesting me to give my opinion on the question of the suitability of the building offered by Sowcar Mr. Yele Krishnappa of Devanhalli for the location of dispensary, I have the honour to state that on a separate communication made by the party to this department, I visited the place and inspected the building and, with the consent of the owner, decided to shift the dispensary to that building as soon as slight alterations required thereto are executed by him, which he has promised to do, and to use the present dispensary building as inpatients' ward, for which it is more suitable. I shall submit necessary proposals to Government in the matter as soon as it is ripe. I may add that the owner has already given his consent in writing to hand over the building to this department.

As you are aware, the Dewan will visit Devanhalli on the 27th instant. It seems to me to be very appropriate to avail ourselves of this occasion to arrange for the opening - by the Dewan Saheb - of the out-patient Department of the Dispensary in the building which Mr. Yele Krishnappa has handed over to this department as per statement dated 19th September 1924 (enclosed for your perusal and return). I am told that there is some difficulty about the refund of a sum of Rs.1,700/- previously deposited with Government by Mr. Yele Krishnappa with the object of converting the building into a Reading Room. As he has since made over the building to the Medical Department, I believe he is entitled to the refund. I particularly refer to this matter as I am told that Mr. Yele Krishnappa excpects the refund to be made to him before executing the additions and alterations necessary to render the
